

A black and white photograph showcasing a variety of glass perfume bottles. The bottles are arranged on a dark, reflective surface against a light, draped fabric background. The collection includes several small, square-based bottles with faceted or cut-glass patterns, some with stoppers. There are also taller, more rounded bottles, some with vertical ribbing and others with horizontal or wavy patterns. A few bottles are placed on a small, dark, circular stand. The lighting highlights the transparency and intricate details of the glasswork.
