

Elegante bottiglia per diffusore in ceramica per fragranze d'ambiente con coperchio a fiore

Cupwind è sperimentato [Fornitore di bottiglie per diffusori in ceramica in Cina](#), forniamo flaconi diffusori sia in materiale vetroso che materiale ceramico. Il MOQ per la bottiglia del diffusore in ceramica può essere minimo di 2000 pezzi, è possibile personalizzare diverse forme, dimensioni e coperchi.

Il grande flacone diffusore dalla clComesica forma rotonda, contiene una fragranza d'olio da 25 once. La forma arrotondata con la bottiglia del diffusore in ceramica bianca con motivo a strisce incrociate è perfetta per la decorazione della stanza.

As [Fabbrica cinese di bottiglie per diffusori in ceramica](#) Cupwind fornirà sempre moda e prodotti speciali per rendere unico il tuo marchio. Per questo flacone diffusore, abbiamo un coperchio floreale decorato, possiamo personalizzare il colore e le dimensioni secondo le tue esigenze.

Wick Trimmer Cutter

Zinc Alloy Lid

Wooden Lid

Neck

Stopper

Reed

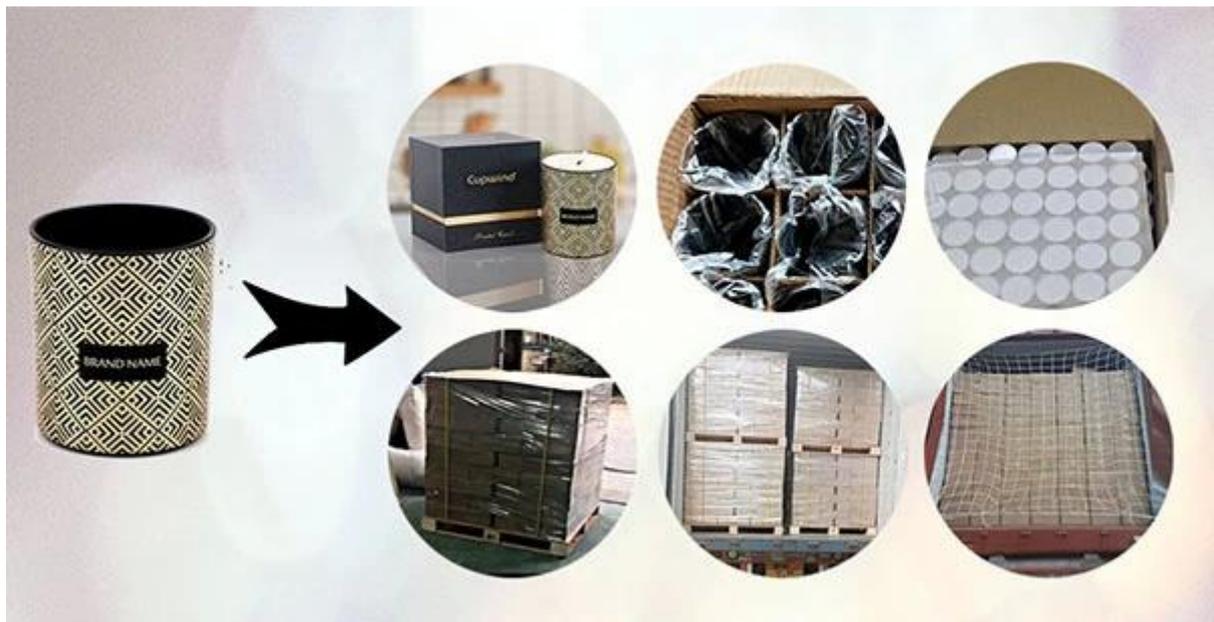

Gift Box.

Gift Box

Fatta eccezione per il coperchio in ceramica, forniamo anche altri accessori per flaconi diffusori, come tappo, spina, canna, confezione regalo, ecc.

Avvolgiamo ogni prodotto in un sacchetto di plastica per tenerlo lontano dalla polvere, quindi cartoni ondulati con divisori trasversali. I pallet in legno sono sempre efficienti per le spedizioni LCL e aggiungeremo una rete di cotone nella parte della porta per evitare che cadano quando si apre la porta del container.

REMARK:

- No enclosed protocol for test results in this report.

Tutti i nostri barattoli di candele in vetro sono testati da una terza parte. Di solito andiamo con i test Cali 65 Pro, i test ASTM (ricottura e shock termico), i test sul piombo e sul cadmio.
