

260ml square borosilicate glass vinegar bottle

Kitchen Oil Dispenser Bottle is not only made of food-grade high borosilicate glass material, but durable, thick, and strong, with high-temperature 30-180 degrees.

The lid design of this Oil Bottles For Kitchen Glass not only keeps the oil inside but also prevents the countertop from being stained when in use.

Square shape is more suitable for holding and chic decoration in your kitchen.

This Vinegar Dispenser Bottle meets every cooking need. Can be used to store ketchup, soy sauce, jam, oil, butter, honey, barbecue sauce, etc.

Vinegar Dispenser can be cleaned with detergent and tap water. Dishwasher safe, it's also compact and portable for outdoor or kitchen use.

Oil Container is the perfect gift for family and friends, at weddings, anniversaries, Christmas, and festivals, they will be happy to receive this meaningful gift

Packaging of Borosilicate Products
