

Borosilicate Glass Grape Motif Oil and Vinegar Cruet Dispenser Bottle

[The hand-blown olive oil dispenser bottle](#), unique delicate lines, smooth and beautiful shape. Olive oil dispenser bottle can withstand a temperature difference of 30°C~180°C, high hardness, scratch-resistant, super bright body. It's a beautifully designed mouth-blown glass cruet with two teardrop-shaped containers. The smaller teardrop has been placed inside the larger, allowing you to pour oil and vinegar from the same bottle while keeping them separate. This fantastic piece is fantastic for daily use and is ideal for salad dressings, vinaigrettes, infused oils and more!

The Glass Olive Oil and Vinegar Dispenser is designed with a non-dropping pouring system to help avoid unnecessary spills. Cork stoppers have also been included to help preserve flavor and freshness! Corks are based on nature, pressed at high temperature, No glue, no additives, no slag, perfect fit to the inner wall. Round and smooth mouth, overall thickening upgrade.
