How to Care for Your Metallic Gold Candle Jars

To maintain the beauty and longevity of your candle jars, we recommend the following care tips:

Place your candle on a stable, heat-resistant surface.

Trim the wick to 1/4 inch before lighting to ensure a clean burn.

Avoid burning for more than 4 hours at a time.

Keep the candle away from drafts to prevent uneven burning.

Packaging of Candle Holders

Cupwind protect our [luxury candle jars](#) carefully and thoughtfully.

Each candle holder is wrapped by opp plastic bag, 24pcs/48pcs/72pcs/144pcs inserted into a carton box with egg dividers.

Loading with wooden pallet which is safer and more efficient, in the end, we will have a cotton net at the door opening place to stop it from falling.
