## Our Factory

Our company specializes in household and family fragrance containers made from environmentally friendly materials, such as glass candle holders, ceramic candle holders, glass aromatherapy bottles, ceramic aromatherapy bottles, glass cosmetic bottles, glass cream jars, high borosilicate double-walled glass products, glass water glasses, glass wine glasses, etc. We excel at providing personalized customization services and have maintained a high reputation in the industry because we always prioritize providing customers with high-quality, cost-effective products and services. Currently, we are a member of the National Candle Association (NCA) and are gaining increasing recognition from our clients.

## Package:

To meet your bulk purchasing needs, we offer a safe and efficient bulk packaging solution for your high-quality candle jars. Each carton contains a standard 48 pieces and includes a professional "egg tray" style divider. This design provides each candle jar with an individual, customized shelter, minimizing shaking, collisions, and friction during transport, ensuring they arrive at your hands intact and pristine. This not only significantly reduces shipping damage but also saves you time and labor costs associated with unpacking and inspection, enabling convenient one-click warehouse management. We firmly believe that meticulous packaging is the starting point for a reliable supply chain.
