

## **Produce 1 Liter Handmade Artisan Reed Diffuser Bottle Empty White**

Introducing the epitome of luxury home fragrance: our exclusive Bespoke 1 Liter Handmade Artisan Swirl Reed Diffuser Glass. This exquisite piece transcends ordinary home decor, merging unparalleled craftsmanship with substantial fragrance capacity for discerning clients and premium brands.

1. Authentic Artisan Craftsmanship: Each **reed diffuser glass** is meticulously **handmade** by skilled artisans, ensuring a unique, high-quality vessel. The signature **swirl** design is not just visually captivating, catching light beautifully, but also a testament to traditional glassblowing techniques. This **artisan glass** piece becomes a standalone work of art for any sophisticated interior.
2. Generous 1 Liter Capacity: Experience the longevity of premium fragrance. This large capacity diffuser holds a full liter of high-quality diffuser oil, providing consistent, subtle scent diffusion for months (typically 4-6 months), significantly reducing the need for frequent refills compared to standard sizes. Ideal for spacious rooms, lobbies, boutiques, and hotels.

3. True Bespoke Customization: Go beyond off-the-shelf. We specialize in bespoke reed diffuser solutions. Customize this stunning vessel to perfectly align with your brand identity or client's vision. Options include:

Glass Color Tinting: Subtle hues to match any palette.

Custom Dimensions: Slight variations in height or width (subject to feasibility).

Private Labeling: Subtle embossing, etching, or custom packaging.

Oil & Reed Customization: Pair your vessel with exclusive fragrances and premium reeds (sold separately).

4. Premium Functionality: Includes a sturdy, weighted base for enhanced stability and safety. Compatible with standard diffuser reeds (included in base offer). The wide opening allows for easy filling and reed placement.

CupWind is the leading [China luxury reed diffuser glass supplier](#) for more than a decade years.

### **Packaging of Reed Diffuser Bottle Glass**

The reed diffuser glass is packed 24pcs/48pcs/72pcs/144pcs inserted into a carton box.

Loading with wooden pallet which is safer and more efficient, in the end, we will have a cotton net at the door opening place to stop it from falling.
