This diamond drinking beer cup is made of double wall borosilicate glass, it is made by adopting integrated-molding craft. The special diamond texture makes it high-end and elegant. It is wide range of uses to meet you daily life, like for beer cup, beer glass, wilktea cup, whisky glass, coffee cup, juice cup etc, we adopt the humanized handle design enriching your usage experience. It has a transparent and glittering and translucent, and a gracefull appearance.

The borosilicate glass is dishwasher safe, microwave safe, refrigerator safe, stove safe, it can stand temperature from -20 centigrade to 100 centigrade. As a professional [borosilicate diamond drinking beer cup manufacturer china](#), we focus on supplying good quality products with affordable price. We have our own dedicated QC person to check on quality on site for each order, and we have much more strict QC standard than third parties.

Packaging of Premium Borosilicate Glass

Each borosilicate glass is carefully protected by polyfoam, then insert into a brown box, and then packed into a master carton box by certain pieces.

Loading with wooden pallet which is safer and more efficient, in the end, we will have a cotton net at the door opening place to stop it from falling.
