## **Home Fragrance White Reed Diffuser Bottle 8.5oz**

This white reed diffuser bottle can hold 8.5oz fragrance oil. It is a hot product on the market.

The unique design makes it look gorgeous and perfect for home decor, aromatherapy, spa, meditation, bathroom.

It is a good match with <u>white candle holder</u> as well.

The empty white reed diffuser bottle is also a good vase for flowers, simple but elegant.

It brings you joy and love.

Cupwind is one of the most professional white reed diffuser bottle manufactures in China

We have our own decorating workshop to keep an eye on the quality of the reed diffuser bottle before it's shipped out

The MOQ of this round body shape diffuser bottle is 5000pcs

Cupwind also offers other accessories that are related to the reed diffuser bottle such as reed, plug, gift box, stopper etc.

We have 6 stable cooperative partners for years. The quality is great match with our candle holders.

<u>Plug for diffuser bottle</u>

Stopper for diffuser bottle

<u>Reed for diffuser bottle</u>

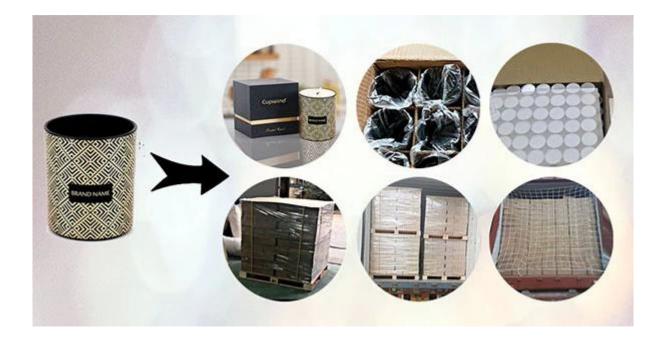

We also offer gift box OEM and ODM for reed diffuser bottles.

If gift box is not necessary, the common way we are using is to wrap each candle holder glass by an opp bag to keep away from dust,

then each carton box packing 48pcs candle glass separated by an egg divider. Wooden pallet is always efficient while in transportation,

and we will add a cotton net in the door place to protect from falling when opening the container door.

All the glass candle holders we ship out are tested by a third party The tests we always do like the Annealing and Thermal Shock tests Cali 65 Pro tests

Lead and Cadmium tests
