

Empty 5.3oz Octangle Refillable Glass Diffuser Bottle with Fiber Sticks on Sale

This empty octangle reed diffuser bottle is made by I.S. machine,
it is so elegant and it is a good match with [octangle candle holder](#) glass set.

it is a great gift for home decor, housewarming, monther's day, birthday, christmas and any occasions.

This refillable reed diffuser bottle is a good choice as brand promotion, it's trending on the market

There is a matching reed for the diffuser bottles. We offer different colors of reed for options. The lines on the bottom of the diffuser bottle is used to keep the glass bottle from breaking when annealing.

We offer diffuser accessories, like reed in different colors, stopper, plug, collar, gift box etc

We wrap each candle glass by an opp bag to keep away from dust, then corrugated cartons with cross board dividers. Wooden pallets are always efficient for LCL shipments, and we will add a cotton net in the door place to protect from falling when opening the container door.
